BHCC MEMBER UPDATE – MAY 22

2022 BarbeCure Celebration

There's a saying, "Good things come to those who wait", and that is exactly what happened with our BarbeCure event on Sunday 1 May 22.

WOW, what a great day! After being postponed due to rain in March and following on from our soggy 2021 event, we were greeted with absolutely perfect boating conditions, virtually no wind, and clear blue sunny skies (yes you did read that correctly, "sunny").

13 boats and 60 plus members and guests gathered and rafted up at the bottom of America Bay for a magnificent afternoon celebrating our fundraising for Cure Cancer. Once settled, the cheese and crackers and a few drinks were enjoyed whilst the BBQ's cooked up a feast of delicious sausages very kindly donated by Exclusive Meats, North Turramurra.

Whilst most of us were enjoying our sausages, the crew of "Half Full" (winners in the Celebrity Chef draw) had their personal celebrity chef, Adam Moore prepare an amazing BBQ gourmet meal including:

- Coffee glazed beef short ribs
- Warm Balsamic Brussel sprouts
- Sweet potato and lentil salad
- Tomato and basil salad
- Simple green salad
- Assorted cheese platter to finish
- Couple of bottles of red wine

Following Commodore Grant's welcome, Nikki Kinloch from Cure Cancer introduced our BHCC researcher Dr Shafiq Syed who gave a lovely speech on his research and the importance of the funding that the BHCC have been able to provide and what this will allow him to achieve. A very inspiring talk.

Before long we were into the auctions and raffle draws with many many prizes being distributed amongst members. Due to the lovely conditions and sunshine most boats stayed on until late in the afternoon before departing for the marina with 5 boats staying out to enjoy Sunday night on the water.

A very big thank you to all our BHCC members, friends, Twin Bridges, CureCancer and our amazing sponsors for making our BarbeCure such a success. On behalf of all our members, a massive thank you to Ngaire Callagan again for your tireless work to bring it all together.

Donations are still welcome: [BHCC Team Meat Donation page](#) | [Team Meat](#) | [BarbeCURE](#)

To date (early May) we have raised over \$50 000 with more donations still coming in.

Due to our generous sponsors, there will be no costs incurred by the club thus maximising the donations back to Cure Cancer. [Please support those sponsors who have supported us.](#)

18 - 19 June 22 Sydney Harbour Vivid Weekend

Cruise the coast with club members and berth overnight at Darling Harbour Marina for the final weekend of the amazing Sydney Vivid Festival.

Enjoy cruising the Harbour, viewing Vivid from on and off the water and a Saturday night dinner.

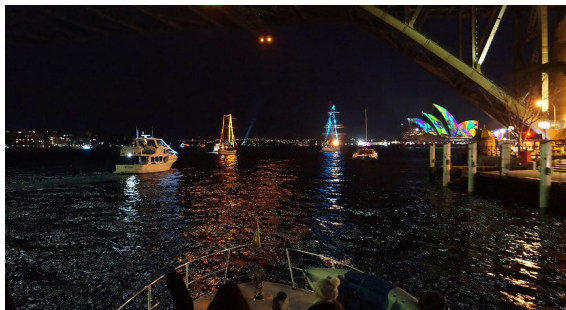

We plan to depart Broken Bay early Saturday morning and cruise into the harbour mid-morning to explore the sights before berthing at Darling Harbour for Saturday night fun. Dinner arrangements are to be confirmed and either "take away" on the marina or at a local restaurant.

We'll depart for home late morning to be back in Broken Bay late afternoon Sunday.

If you haven't had a chance to do a coastal cruise, then this is a great opportunity for a short hop down the coast.

I look forward to seeing you.

BHCC has a limited number of berths on hold. For more information and to book your berth (use "Bobbin Head Cruising Club" as a reference under the "Notes" section) visit www.darlingharbourmarina.com.au or phone 02 9211 5383
